Elämä on kurja loukko avaruuden laitamilla  
elämä on kissanhiekkaa arjen pesuvadissa  
mä sanon sulle kuule kyllä täällä tylsää ois  
jos ei jokainen meistä joskus räjäyttäisi likaa pois

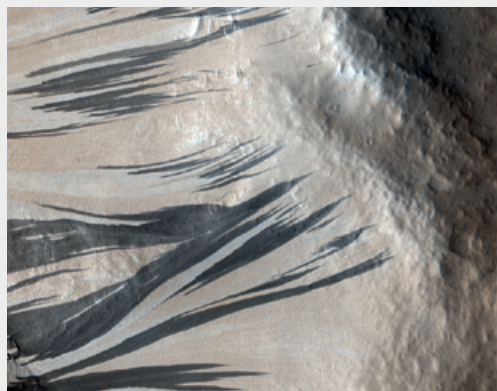

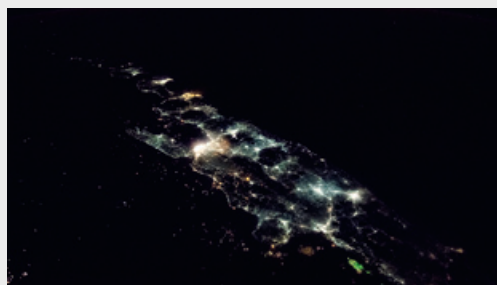

Siis pyyhi kyyneleet nuo laula ja juo  
kyllä meillekin voipallon elämä tuo  
Siis pyyhi kyyneleet nuo laula ja juo  
kyllä meillekin voipallon elämä tuo

I want to live  
I want to give  
I've been a miner for a heart of gold  
It's these expressions  
I never give  
That keep me searching for a heart of gold  
  
And I'm getting old  
Keep me searching for a heart of gold  
And I'm getting old  
  
Neil Young  
Heart of gold

Live with me, live with me  
Live with me, live with me  
Live with me.

Lost in space  
I heard you were lost in space  
That's such a lonely place  
for you to be.

Traveling north, traveling north to find you  
Train wheels beating, the wind in my eyes  
Don't even know what I'll find when I get to you  
Call out your name love, don't be surprised

It's so many miles and so long since I've met you  
Don't even know what I'll find when I get to you  
But suddenly now, I know where I belong  
It's many hundred miles but it won't be long  
It won't be long  
It won't be long
